

## Back Office with Danish

Hi Genpacteer to be,

Which is your biggest dream? How do you imagine your journey from now on? Ambition will certainly help you explore to the moon and back, we are sure of that, but doing so in a multicultural environment, surrounded by great people will make the experience memorable. At Genpact, young professionals can learn about accounting, procurement, customer service, while even upgrading their language skills. Sounds good, right?

Our colleagues have access to a wide range of learning and development opportunities, special discounts and subscriptions, insurances and wellbeing activities, while building solid knowledge on a wide range of activities.
